## Fremington Quay

The Fremington Heritage Centre and Cafe has celebrated its 10th Birthday this year. Sadly the main event to mark the success of the Quay had to be cancelled due to the inclement weather. However, the children's colouring and photographic competitions were able to go ahead. There were many excellent entries but the judges finally awarded first prizes to Abigail Cooper for the colouring competition and Ryan Daldry for the photographic competition. All entries are on display during October at Fremington Quay Heritage Centre.

Thanks to the sponsorship of local businesses the Parish Council will be producing a 2012 Fremington Quay Calendar celebrating in pictures a real local success story.

## Fremington Camp Development Proposals

Proposals for development at the Fremington Camp have raised a number of very real concerns for local residents. Although no planning application had been submitted by the developers at the time this news letter was printed an application is expected in the near future. The Parish Council will be making every effort to ensure that the views and concerns of local people are heard. We will be organising a public meeting and inviting the developers and local planners to attend to explain the proposals and respond to the very real worries of local residents.

## New Notice Boards for Roundswell

The Parish Council is pleased to report that two new parish council notice boards have been erected at Roundswell to keep Residents informed of the activities of your local council. The notice boards can be found next to the bus stop on the Old Bideford Road and at the four way pedestrian junction as you come through the underpass next to Brynsworthy Park.

### Pitch and Putt at Fremington Quay ?

It has been suggested that the Parish Council provide a Pitch and Putt course on the green, in front of the Cafe at Fremington Quay. Do you think this is a good idea to help raise funds for the improvement of the area and provide an additional attraction? Please let us know your views

## Free Advice Service for Local People

The Gateway Rural Outreach Project is a free service which aims to provide support, guidance and advice to individuals and families who cannot easily access services available in larger communities in the area. The service deals with issues such as: -

- A range of housing issues
- Welfare benefits
- Debt management & budgeting
- Form filling
- Providing routes to training, education & volunteering
- Support & advice on a wide range of issues
- Referrals & signposting to other agencies

The service is free private and confidential. and is available on the following days:

**1st & 3rd Friday of each month between 10 a.m. and 1.00 p.m. at Fremington Parish Council Offices (above Costcutter)**

For further information or an appointment contact: **07817 991631 or 01271 371499 or E-mail: [info@bpag-encompass.org.uk](mailto:info@bpag-encompass.org.uk)**

### Tews Lane Sports Field

The Parish Council is working on proposals to provide more facilities on the Sports Field at Tews Lane and give local residents greater involvement in the management of the site.

## Wanted! Your support for the Beechfield Project

Fremington Parish Council is in the process of consulting with present and potential users of Beechfield Youth Centre to decide how best to plan for the future of this site .

The current building is an old school hut, is extremely old and in very poor condition. The Parish Council recognises that it needs replacing. However, in order to do this the Council needs your help and ideas.

The Council is looking for representatives of local organisations/groups to become involved in what will be a community led project to provide a new vibrant facility at Beechfield. Support can be provided in many ways, such as: being involved in the project; providing letters of support to demonstrate to potential funders the need for the new facility; volunteering any services that may be required.

If you would like further information please contact Clare Dalley, Parish Clerk on the contact details overleaf.

### Speeding Traffic

The speed of traffic is a major concern for many parents of young children . With police support there are proposals to set up a community traffic enforcement group. If you would like to help drive down speed in the village please contact the Parish Clerk, Clare Dalley, on the contact details overleaf.
