**Chairman's Announcements**

The Chairman announced that the Parish Council had been awarded the Quality level of the Local Council Award Scheme.

The Quality Award demonstrates that a council achieves good practice in governance, community engagement and council improvement. Quality councils go above and beyond their legal obligations, leading their communities and continuously seeking opportunities to improve and develop even further.

To achieve the Quality Award a council demonstrates that it meets all requirements of the Foundation Award and has additional evidence of good governance, effective community engagement and council improvement.

When considering the Quality award the panel drew particular attention to the strength of the Parish Council's Health & Safety policy and to the comprehensive and detailed agendas, minutes and council meeting papers.

The Chairman congratulated the staff and councillors on the achievement.
