To be completed by:

- all smaller authorities* where either the higher of gross income or gross expenditure exceeded £25,000 but did not exceed £6.5 million; and
- any other smaller authorities that either:
 - are unable to certify themselves as exempt; or
 - have requested a limited assurance review.

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2017/18

1. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 **must** complete Part 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with Proper Practices.
2. **The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:**
 - The **annual internal audit report** is completed by the authority's internal auditor.
 - **Sections 1 and 2** are to be completed and approved by the authority.
 - **Section 3** is completed by the external auditor and will be returned to the authority.
3. The authority **must** approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both **must** be approved **before 2 July 2018**.
4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or requesting a limited assurance review, **must** send to the external auditor:
 - the Annual Governance and Accountability Return Sections 1, 2 and 3, together with
 - a bank reconciliation as at 31 March 2018
 - an explanation of any significant year on year variances in the accounting statements
 - your notification of the commencement date of the period for the exercise of public rights
 - Annual Internal Audit Report 2017/18

Unless requested, do not send any original records to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed and is able to give an opinion on the limited assurance review, the Annual Governance and Accountability Return including **Section 3 – External Auditor Report and Certificate** will be returned to the authority.

Publication Requirements

Smaller authorities with either income or expenditure exceeding £25,000 **must** publish on a public website, under the Accounts and Audit Regulations 2015, the Annual Governance and Accountability Return:

- **Section 1 – Annual Governance Statement 2017/18**, page 4
- **Section 2 – Accounting Statements 2017/18**, page 5
- **Section 3 – The External Auditor Report and Certificate 2017/18**, page 6
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to Local Audit and Accountability Act 2014.

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2017/18

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this Annual Governance and Accountability Return. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed Annual Governance and Accountability Return. Any amendments must be approved by the authority, properly initialled and accompanied by an explanation. If the Annual Governance and Accountability Return contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the annual internal audit report prior to approving the annual governance statement and before approving the accounts.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness before sending it to the external auditor.
- Do not send the external auditor any information not specifically requested. However, you **must** inform your external auditor about any change of Clerk, Responsible Finance Officer or Chairman, and provide relevant email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the Annual Governance and Accountability Return covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the explanation.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs will be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2017) equals the balance brought forward in the current year (Box 1 of 2018).
- Please enter the authority's name **only** in Section 3 on Page 6. **Do not complete the remainder of that section**, which is reserved for the external auditor.
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the accounts and accounting records can be inspected. Whatever period the RFO sets it **must** include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.
- The authority **must** publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor.

Fremington Parish Council Internal Audit Report 2017/18

Testing was carried out using sampling and covering a range of financial, risk and governance assessed as appropriate for a council of this size and complexity.

The findings are reported below:

✓ Governance and Control

All councils of whatever size are required to annually prepare and consider:

- A general and financial risk assessment covering the council's activities
- A statement of internal control
- Annually review any charges for services, whether or not they are increased and record this in the minutes.
- Councils under £25,000 turnover are legally required to publish on a website information required by the Transparency Code for Smaller Authorities 2014. Councils should have in place and periodically review:
- ✓ Standing orders for the conduct of council meetings are required by law, should be periodically review, and changed to reflect current legislation.
- ✓ Financial regulations for the control of its financial administration are required by law and should be periodically reviewed for either changes in legislation or internal control procedure changes.
- ✓ Any Council moving away from two cheque signatories by Councillors must have satisfactory arrangements to address the expectations in Appendix 10 of Governance and Accountability.

Satisfactory. No issues.

✓ Precept, Budgets and Reserves

The precept was agreed to the minute setting the precept, the principal authority tax collecting authority records. The receipt was traced and agreed to bank and cash book records. The precept was set after consideration of a budget and consideration of an appropriate level of free reserves (the General Fund) which is generally accepted should lie between 3 and 12 months' expenditure.

Satisfactory. No issues.

✓ Other Receipt or Income

A sample of other receipts was tested to ensure that, as appropriate:

- That grants and interest were correctly recorded in the cash book and agreed to bank statement.

- Chargeable services were correctly and promptly charged to the beneficiaries of those services and that arrangements were in place to pursue late payment.

Satisfactory. No issues

✓ **Staff Cost**

Testing was carried out as appropriate to ensure that:

- Rates of pay were as approved by Council.
- Additional hours worked were approved and supported by time records.
- Employees are paid in accordance with contractual obligations and on the correct pay date.
- Employees have a written statement of principal terms and conditions.
- That PAYE and NI are operated and paid promptly.
- That pension contributions are correctly recorded and passed to the pension fund in a timely manner.

Satisfactory. No issues.

✓ **Payments including Bank and Petty Cash**

A sample of payments were tested as appropriate to confirm:

- Payments are made in accordance with financial regulations.
- Payments are supported by invoice, receipt, expense claim, petty cash voucher or other appropriate documentation.
- Grant payments are subject to a proof of need assessment and are required to be evidenced as spent for the approved purpose and unless having the general power of competence are made within permitted powers.
- Cheque payments are promptly cleared.
- Where payments are made other than by cheque, that they are appropriately authorised in line with council policy..

Satisfactory. No issues.

✓ **Analytical Review**

A review of both income and expenditure was carried out to ensure that details were in line with expectations.

Satisfactory explanations were provided for variances.. No issues.

✓ **Insurance**

Insurance cover was reviewed as appropriate to confirm

- Adequate Fidelity Guarantee cover in place
- Range of cover in place has been reviewed at renewal and this has been recorded in the council minutes
- By sample test that assets other than land that appear on the Fixed Asset Register are insured or if not that there has been a decision not to cover them (for example because the excess is greater than the asset value insured).

Satisfactory. No issues.

✓ **Fixed Assets**

Tests were carried to confirm as appropriate:

- Fixed asset register is up to date.
- Additions have been correctly identified and a system exists for the identification of fixed assets.

- That the disposal by scrapping, selling or part exchange of assets has been approved by council.
- That where an insurance value has been used as the cost of an asset was unknown that the value is not increased as the insured value increases.

Satisfactory, subject to a minor amendment to be actioned by the clerk.

✓ **Balancing**

Review of Annual Governance and Accountability Return (AGAR) identified some balancing errors with regards creditors and un-presented cheques.

The clerk has subsequently rectified the balance sheet and AGAR figures, which are now agreed with no further issues.

Regards
