Three quotations were received from North Devon Council and they were requesting a 50% contribution towards the work.

RESOLVED: that a contribution of £1350 is made to North Devon Council for tree works at Ellerslie Road.

- 1906/31 **Trim Trail**
Cllr Adams gave a report on the provision of a Trim Trail, which is a military style assault course that could be sited in suitable locations in the Parish, including the possibility of one to be sited in Griggs Field. He reported that they were less expensive than outdoor gym equipment with a longer lifespan and require minimal maintenance. Members felt this would be a great addition to the community and could be a possibility to be sited instead of replacing outdoor gym equipment in the future.

It was suggested that this could be included within the Neighbourhood Plan.
After further discussion it was

RESOLVED:

1. That Cllr Adams investigates the costs, maintenance and any potential issues with a Trail.
2. That the Trim Trail is included in the Neighbourhood Plan document and the Council look at implementing this if the outdoor gym equipment needs replacing.
