4 To discuss matters raised by parishioners

A parishioner requested a bus shelter opposite the entrance to Yelland Quay in West Yelland. It was noted that the Parish Council had set up a Working Party to look at the provision of bus shelters in the parish and this had been identified by the Working Party as a priority which was being pursued.

A parishioner thanked the Community Group for the events they organise for the parish and the Fremington Parish Hall Management Committee for the management of the hall which they regularly use.

The Chairman of the Community Group clarified that some of the bus shelters are maintained by Fernbank and not just DCC and the Parish Council and the Parish Council pays in excess of £6,000 for the dog bin emptying.

A parishioner explained that as a parish we are trying to cut down on our carbon footprint and the installation of air conditioning is not recommended, he invited the Fremington Parish Hall Committee to investigate this matter further and contact the Climate Change Emergency Working Party.

5 Close

There being no further business Cllr McCormack-Hole thanked everyone for attending and closed the meeting at 7.25pm.
