Date of Meeting:	Parks and Playing Fields, Thursday, 24 th September 2020
Title:	Application for Memorial Bench on The Village Green
Item No:	5b

Description of Bench	Treated soft wood with a brass plaque
Size	1840mm length 600mm depth 880mm height
Memorial Bench	Yes
Location	Village Green. The applicant proposes that it is used to replace the one that is in a very bad state on repair nearest the Lynch gate on the Village Green.
Inscription	In Loving Memory of Heather Mary Carss (nee Gayton) 5/3/1951 – 16/3/2020 and her parents George and Renee Gayton
Manufacturer	Gillard's of Fremington
Installation	In accordance with the Council's Bench Policy, the bench installation will be completed by FPC and recharged to the applicant.
Officer Comments	<p>The Bench as detailed above complies with the Council's Bench Policy.</p> <p>As the Village Green is in a Conservation Area, I would recommend that the Bench purchased is the same specification and design as the proposed replacement benches. This would be from a local contractor and should be completed at the same time.</p>
