

# Calling all Community Groups!

it starts with  
**YOU**

Does your group  
meet regularly or  
play an active role in  
the community?

Would your members be open to talk  
about their health and social care  
experiences confidentially?

Is your group keen to play an  
active role in shaping local health  
and social care?

Healthwatch in Devon, Plymouth & Torbay are your independent consumer champions for health & social care. We are looking for community groups to join our vital 'Healthwatch Assist network'.

This network builds links with communities to gather & share information about the healthcare services you use, which is then fed back to you & to the key healthcare decision-makers who can improve local services.

For more information on joining please get in touch  
with Healthwatch on 0800 520 0640 or email
