- c) To discuss the future of the CEWP and consider options to increase membership/interest in the Climate Emergency.

Cllr Goodger commented that the times of the meeting may not be suitable for everyone to attend and suggested that we alternate times to one month being an evening meeting and another month being a day meeting. Cllr Bell said that he had contacted the Administration & Projects Manager and suggested that the CEWP should be wound down as there seemed to be little interest and that any business to do with Climate Emergency be brought in house. the CEWP and bring it in house as part of the Environment & Community Committee.

Cllr Rennles advised of the DCC Climate Working Group Policy.
