- 2110/28 **Public Participation**
A resident at Fremington Quay was disappointed that many of the issues that had been raised over the years with the Parish Council had not been dealt with by the Council or various agencies. Another resident did comment that there is an over-estimation of what the Parish Council is able to do regarding some of the points that were raised. It was agreed to arrange an informal meeting with the members of the public and the Committee to discuss the issues. Members of the public congratulated the Maintenance & Amenities Operative on the standard of work carried out at the Quay.

It was **resolved**, with no votes to the contrary, to approve and sign the minutes of the meeting held on 25th March 2021 as a correct record.
- 2110/30 **White Line Scheme**
Cllrs considered the proposals received from the Public Rights of Way Warden for the white lining scheme at Fremington Quay and it was **resolved**, with no votes to the contrary and one abstention, to accept the proposals, hopefully to be funded by DCC.
