Spring 2022

Meetings

Please note that the Parish Councils meetings have now returned to physical meetings. Zoom links will be available for some meetings.

Tews Lane Gate

Fremington Parish Council have succeeded in securing from the developers a sprung gated access onto the footpath at Tews Lane.

This should provide a safe access from the road for all users of Tews Lane.

Play Areas

We are pleased to announce that the Parish Council has installed new multiplay units sited at Mulberry and Babbages play areas.

Additionally, we have replaced the wet pour under the galleon play area at Fremington Quay.

We are confident that these items will enhance the area and are very pleased with the result.

We hope you enjoy them!

Saplings—The Beechfield Centre

The Parish Council has recently planted a selection of Mixed Hedging Hawthorn Base Saplings behind the dugouts in Beechfield Playing Field. We are grateful to have received a grant that allowed us to do this, and look forward to seeing them grow in the years to come.

The Beechfield Centre

We currently have a multitude of different classes and activities taking place at the Beechfield Centre, for more information, please contact the office.

We also have some availability for hires! For more information on available times and days please contact the office via phone or email.

Dog Bins

The Parish Council has had a new dog bin installed at the south end of the cycle track at Tews Lane.

Please think of your community and neighbours and pick up after your dog! If the dog bins are full, please use another dog bin, litter bin or take it home and put it in your black bin.

If you would like to volunteer to help clean up the Parish, please contact Roundswell Residents as below;

Roundswell residents Association:
roundswellra@hotmail.co.uk 07840 997915

Reports of dog fouling can also be made directly through the North Devon Council

We have a very active Facebook Page (search Fremington Parish Council) that is updated almost daily —take a look and like keep up to date with the latest Parish Council and community news!

Letter from the Chairman

This year is the Queen's Jubilee and the Parish Council is hoping to join with others in marking the celebrations. If you have an event planned please do let us know.

The planning application for Yelland Power station site will go to appeal on 19th April 2022 and it is hoped that the Inspectorate in line with the District Council and of course Fremington Parish Council will refuse it.

It is disappointing that the extension to Mead Park has been passed and the traffic from this site will only add to the already congested road situation. However I understand that traffic lights will be put at Cedars Roundabout and at Stick-lepath roundabout.

The Parish Council has reviewed all its energy supplies and is looking to install solar panels where it can. The Beechfield Centre cannot have solar panels because of the roof construction. It is hoped that technology will advance in the next few years so that solar can be considered for the roof. The cost of Solar has reduced in recent years so we are hopeful that in the future we can take this up on some of our other buildings.

Now the restrictions have been lifted it is hoped that we can all get back to normal. However we do need to be mindful that Covid 19 may be with us all the time so we all need to be responsible and take the necessary precautions.

***-Sue Kingdom,
Chairman to the Parish Council***
