Introduction

Fremington Parish Council budgets a sum of money every financial year for grants to local voluntary or charitable organisations where the activities will contribute to, and be of benefit to, the life or community and benefit the people of Fremington Parish.

These grants are limited and are made available to organisations that can demonstrate a need for assistance.

A total figure for available grant aid will be agreed by the Council as part of the budget for each financial year. The grant may be in the form of either a financial grant, or in certain approved cases, the provision of work carried out by the Council's own staff and/or use of Council premises.

To ensure that fair and proper consideration may be given to all requests, the Council requires applicants to follow the following Application Process:

Application Process

Please ensure that the following documentation is enclosed when applying for a grant:

1. A completed Grant Aid Application Form. This form is available from the Parish Council Offices throughout the year and can also be downloaded from the Parish Council's web site.
2. Latest financial accounts.
3. Constitution or rules of the organisation.
4. Any additional information the organisation considers will support its application.

- 4.2 Grants will not be made for money already spent.
- 4.3 Organisations receiving grant aid are required to provide the Council with a written report within six months of the award date to demonstrate how the funds were spent. The report may also be included in the Council's newsletter or howsoever the Council may wish to use it.

- 4.4 If an Organisation is dissolved the Council would expect the Organisation to reimburse the grant awarded.
- 4.5 Organisations are not restricted to the number of grant applications they may submit to the Council during any year. However, the history of previous applications may be considered in the decision making process.
