Yelland – No crimes recorded for period.

Councillors may be aware of two serious assaults that are being investigated in Barnstaple town. These enquiries are still ongoing and unfortunately I cannot pass any more detail at this stage but if any information is passed to parish council members by members of the public, please do report it in the usual way (101 or online).

Should any queries or other issues be raised for police, please do let me know and I will respond accordingly.
