## **Memorial Safety Testing in Fremington Cemetery**

As part of its Memorial Testing policy, Fremington Parish Council will begin testing memorials. This process will take place on the 13<sup>th</sup>, 15<sup>th</sup>, 20<sup>th</sup> & 27<sup>th</sup> June 2023.

As the landowner, Fremington Parish Council is obliged to undertake this work to ensure that its cemetery is a safe place for the public to visit. Under this memorial testing procedure all memorials over 500mm in height will be tested using industry approved testing procedures.

Any memorials found to be unsafe will be either supported or cordoned off to ensure that they do not present a risk to visitors of the cemetery. Fremington Parish Council will not fix any memorials. Fixing memorials is the responsibility of the grave owner.

Fremington Parish Council intends to carry out this with minimal disruption. However, we would ask that any visitors to the cemetery take note of the warning signs and exercise caution near memorials during this procedure.
