

Fremington Parish Hall

Fremington Parish Hall, continues to be a well-used resource with regular bookings from a variety of clubs which have members within and outside of the local community and those from outside Fremington and into the wider community itself travelling to make use of the hall and what it offers them.

It is still one of the cheaper halls to hire for the space that is on offer. It remains a popular choice and in demand with enquiries for regular bookings and one offs for special occasions.

We are still looking for trustee. Even if you just want to ask about the role we would be happy to talk. This doesn't require any previous knowledge or involvement but some time and commitment to attending one meeting every 3 months usually upon an evening to assist with decision on priorities for management of the hall, ongoing maintenance, sorting out funding and future finances, new ideas for improvements and a discussion with current groups who use the hall to garner their thoughts also.

As always, suggestions for improvements are welcome and we would welcome anyone who would be interested in becoming a trustee or would like any information regarding this. You can use the various means below to contact us.

Find, contact us and like us on Facebook
at: <https://m.facebook.com/Fremingtonparishhall>

Or find us at our website: <https://www.fremingtonparishhall.org.uk/index.php>

Finally for bookings and enquiries please call Nikki on: 07774001948 or email:
FPARISHALL@GMAIL.COM

Thank you to all of those who hire the hall and continue to do so. Lastly, thank you to those who look after and ensure the hall is there for others in the community to enjoy. Your help is appreciated and does not go unnoticed. Thank you for stepping in to fill the void. Apologies that I have had my attention in other places of late.

Fremington Parish Hall Management Committee. (FPHMC)

Sam Adams, (Chairman FPHMC).
